**FOR IMMEDIATE RELEASE (7/22/2015)**

## **Prestera Center Welcomes Dr. Hu**

*(HUNTINGTON, WV):* Prestera Center welcomes Wei “Wayne” Hu, MD, to the medical staff as of July 13th, 2015. Dr. Hu is boarded in general psychiatry with fellowship training in geriatric psychiatry. He completed a fellowship at Case Western Reserve University in Ohio as well as a psychiatry residency at West Virginia University. Dr. Hu has prior experience in dermatology when he became interested in neuroscience and alcohol dependence that led him to study psychiatry. According to Dr. Casdorff, the Medical Director at Prestera Center, “Dr. Hu is an outstanding addition to the medical staff at Prestera Center for his competency, his kindness and his ability to connect with clients”. Dr Hu will be practicing psychiatry at Prestera Center at 3375 US Route Sixty East in Huntington as well as in the Mason County office in Point Pleasant, WV. Dr. Hu is accepting new clients, call 1-877-399-7776. Dr. Hu is married and has a one year-old son.

Prestera Center provides mental health and addiction recovery services at fifty-five locations across nine counties in West Virginia. Each year Prestera Center’s 850 staff members provide high quality care to over twenty thousand individuals regardless of their ability to pay. For more information on Prestera Center, visit us online at [www.prestera.org](http://www.prestera.org) or call toll free to (877) 399-7776.
