FOR IMMEDIATE RELEASE

Mason County Prestera Center Office Moved

MASON COUNTY, WV: Prestera Center has moved the Point Pleasant office from 715 Main Street to a new location at 710 Viand Street in the former DHHR building. All services have moved to 710 Viand Street, including a medication-assisted treatment and recovery program, psychological testing, outpatient mental health, substance abuse counseling, emergency mental health services and psychiatry services. Visit www.prestera.org for information on all services and locations. Call (304) 675-2361 to schedule an appointment.

Prestera Center for Mental Health Services:

Prestera Center provides mental health and addictions treatment and recovery to over 20,000 children, families, and adults each year. Prestera serves everyone seeking help, regardless of their ability to pay. With more than 50 locations and 900 staff across Boone, Cabell, Clay, Kanawha, Lincoln, Logan, Mason, Putnam and Wayne counties, Prestera Center services are accessible when and where you need them. Prestera Center has been serving our communities since 1967.
